Dear parents,

The entire globe is passing through a situation wherein the need for acting as a responsible citizen is of prime importance. As all of you are aware the Model School has joined hands with the authorities to combat and prevent the spread of COVID-19.

As a preventive measure, the school has been closed for students but the teachers were at work in making plans for ensuring the uninterrupted learning process of students and to lead them to the summit of academic excellence.

The provisional results* will be published online and the classes for the next academic year will start from 5th April onwards through virtual classrooms and distance learning process.
