Circular

Date: 07.04.2020

Sub:- Distribution of books and study materials

The school has been expecting the guidance and strategies to distribute books and study materials to the students since the restrictions were imposed to fight the spread of COVID 19.

As informed through the previous circulars, the books will be delivered to the residential address that has been registered with the school. ADEK has made agreement with M/s Careem delivery service to deliver the materials in your residential address.

The books supply starts on Sunday and you will get a call on your registered mobile. Please attend the call and provide the correct location. Change in residential address (other than given in school at the time of admission), has to be informed before the start of delivery. Please collect the items as per the fixed timings. Failure in receiving the items due to unavailability of receiver, wrong address, wrong mobile number etc. also charged by the service provider.

Please note that the delivery charges are payable to the service provider through school along with the next fee payment only. The charges will be based on the invoice issued by Careem. Vehicle drivers will not accept any payments.
