The Chairman

Sub : Affiliation for Senior Secondary School for
"The Model School", Abu Dhabi

Sir,

Composite Provisional Affiliation to The Model School, Abu Dhabi, for Second School Examination of the Board, for a period of three years wef 1.4.2009-31.3.2012, was granted vide your letter CBSE/Aff/6630060/SL-00577-0809/2009/190111 dt. 27 July, 2009.

The School now proposes to upgrade their affiliation for Senior Secondary classes. They have around 3700 students in their School, and more than 200 teachers. It may please be noted that in the present scenario, the demand for admissions in the Indian Schools in the region is far higher than the seats offered by the schools.

The Embassy of India, Abu Dhabi, has no objection to their being granted affiliation for Senior Secondary level from next academic year, subject to their fulfilling other terms and conditions of the Central Board of Secondary Education.

Yours sincerely,

(Sumathi Vasudev)
